

O'MALLEY Preventing Euthanasia Together

O'Malley is Going to the Dogs!

The **O'Malley Alley Cat Organization** is pleased to announce **O'Malley P.E.T.** (Preventing Euthanasia Together). O'Malley is officially expanding its work from cats only, to include cats and dogs, as we respond to need in our community. As some of you may know, SpayNeuterNac, a low cost spay-neuter clinic beginning in 2009, was closed in April of this year. Many of the SpayNeuterNac clinic volunteers were also O'Mallians, and we have come together to continue the important work. As euthanasias of homeless dogs and cats at our shelter are unacceptably high, a low cost spay-neuter clinic is sorely needed for the pets and people of Nacogdoches county, and the surrounding area.

We are now holding fundraisers and applying for grants to secure funds needed to procure needed equipment and supplies to resume our work. Facilities, equipment and

supplies cost money, so please come out and see us at our upcoming fundraisers listed on our website at www.omalleypet.org.

Want to make a donation? Make a donation securely online, or mail check to:

O'Malley PET
PO Box 633452
Nacogdoches TX 75963

We are a 501© non-profit organization and your donations are tax deductible. We are happy to provide a receipt for tax purposes.

To donate supplies or equipment, call (936) 556-2754.

Want to volunteer? Contact our director of volunteers at volunteer@omalleypet.org.

BRICK PAVER FUNDRAISER

Honor or memorialize your pet or favorite pet loving person with a brick placed on the walk leading into our new "PET" facility.

Donation is \$100.00 per brick, and we will engrave each according to your liking. Please specify below what you would like us to engrave on the brick, by entering no more than one letter or space in each box below. Please fill out a separate form for each brick.

Maximum 14 letters and spaces per line. Maximum of 3 lines per brick.

Mail this form with payment to the O'Malley PET at the address above, or bring it to our next fundraiser listed on the home page of our website at www.omalleypet.org. You may also scan and e-mail to sandybcollier@gmail.com or fax to (936) 564-9338, ATTN Sandy Collier.

Have you ever walked thru the downtown area reading the names on the bricks in front of the Visitors Center and wondered about the lives behind the names? O'Malley PET Brick Project is offering another opportunity for your honoree's story to be heard, in a scrapbook of stories (with or without photos) of the animals and animal lovers honored in our brick walkway. Participation is voluntary, and the scrapbook will be updated as we add more bricks. We hope we need a big scrapbook (or two or more) to hold the stories of our loved ones as we anticipate the engraved bricks will cover every walkway and patio surrounding O'Malley House.

Should you choose to participate, the tale of the bond between you and your honoree will be enjoyed by all who benefit from medical and surgical services at the O'Malley PET clinic. For further information or to submit a photograph and essay of your loved one, please contact Nancy Hinds at nants@att.net or (936) 615-7715.
